

Think about how you organise funerals

Dates	Work out when you will have the funeral. Talk together, ring up family, what else is happening, and ring up to confirm the place.	Work out when to have camp. In the four week holidays. Work out when conventions on, culture camp, festivals, etc.
Location - Where should we have it?	Where did the person come from? Which family is buried where?	Banatjarl - got no phone coverage. Neutral place from other communities.
Contact <i>Camp role:</i> Camp Directors and other leaders	Ring family full blood to tell them or send fact.	Let fellow leaders know about leadership Training / Youth Camp happening.
Travel <i>Camp Role:</i> Transport	Book down on certain taxi' from Katherine. Family from long way community maybe a cultural vehicle - or have own car.	Bhodi Bus - goes to Bulman and Katherine twice a week. People can catch it from Beswick as well. Except the following weekend is Katherine Show and so the bus is often full. May need to borrow a trailer to get the eskies, etc. Value since Yangbala Kemp 2007: Make sure youth have the opportunity to come.
OH&S - Activity Risk Management	Someone cuts themselves too much funeral side. Or a fight happens. Someone dehydrated. Sunrise Health near by.	Read through youth camp list of what will happen when something happens. What is our emergency plan?
Finance/Insurance <i>Camp Role:</i> Director and Finances	NLC, etc.	Scripture Union NT and Fundraise Finances
Outsiders <i>Camp role:</i> Director	Organise the coffin with coffin place.	Organise a Non-indigenous team to come (outsiders)
A month before Camp role: Directors	Organise with Sunrise Health services to go and visit the coffin in town. Make sure it has all been paid off, etc.	Organise to attend Leadership Training camp.
Confirm	Confirm they are brining out the coffin on that day.	Confirm the camp site and dates with the place you are holding it (if Banatjarl confirm with Jawoyn Association).
